"Note: Calculated from FISAP reported numbers for the total undergraduate aid applicants divided by the total unduplicated undergraduate enrollments. The figures are designated as ""Total students 12-months (IPEDS) (2003-04),"" which refers to ""The unduplicated total count of all undergraduates enrolled at any time during the 12-months of the 2003-04 academic year, as reported by the institution in IPEDS."
