

300 Degree Programs Available Under Tuition Break to Residents of CONNECTICUT

The New England Board of Higher Education's Tuition Break provides a discount on out-of-state tuition to Connecticut residents, when they enroll in approved degree programs at specific state colleges and universities in Maine, Massachusetts, New Hampshire, Rhode Island or Vermont. Connecticut residents are eligible for these degree programs, because they are not offered by any Connecticut state colleges or universities.

Visit www.nebhe.org/tuitionbreak to find out which college(s) offer(s) each program and for details on eligibility. Download the *2009-10 Regional Student Program Tuition Break catalog* or search the online RSP Tuition Break Database.

The Tuition Break programs approved for Connecticut residents for the 2009-10 academic year are listed below.
