

250 Degree Programs Available Under Tuition Break to Residents of MASSACHUSETTS

The New England Board of Higher Education's Tuition Break provides a discount on out-of-state tuition to Massachusetts residents, when they enroll in approved degree programs at specific state colleges and universities in Connecticut, Maine, New Hampshire, Rhode Island or Vermont. Massachusetts residents are eligible for these degree programs, because they are not offered by any Massachusetts state colleges or universities.

Visit www.nebhe.org/tuitionbreak to find out which college(s) offer(s) each program and for details on eligibility. Download the *2009-10 Regional Student Program Tuition Break catalog* or search the online RSP Tuition Break Database.

The Tuition Break programs approved for Massachusetts residents for the 2009-10 academic year are listed below.

Bachelor's Degree Programs

Acting (BFA)
 Actuarial Science
 Agriculture Education
 Applied Science
 Aquaculture
 Aquaculture and Fisheries Technology
 Biological Engineering
 Biomedical Engineering
 Botany/Plant Biology
 Canadian Area Studies
 Chemical and Ocean Engineering
 Chemical Dependency/Addiction Studies
 Chemistry and Chemical Oceanography
 Coastal Studies
 Cognitive Science
 Community Development
 Construction Management Technology
 Creative Writing (BFA)
 Dairy Management
 Dental Hygiene
 Diagnostic Genetic Sciences
 Early Childhood Special Education
 Electromechanical Engineering Technology
 Electronic Commerce
 Electronics Technology
 Environmental Earth Science
 Environmental Engineering
 Film Studies
 Forest Operations Science
 Geology and Geological Oceanography
 Health Care Management
 Health Management and Policy
 Humanities
 Industrial Systems Engineering Technology
 Information Systems Engineering
 Justice Studies
 Labor Studies
 Library and Information Services
 Library Science and Instructional Technology
 Management and Engineering for Manufacturing
 Marine Affairs
 Marine Science
 Maritime Studies

Material Science Engineering
 Mechanical Engineering Technology
 Meteorology
 Meteorology (Forecasting)
 Music Business
 Musical Theater
 Networking Technology
 Ocean Engineering
 Outdoor Education
 Pathobiology
 Pharmacy (Six-year/PharmD)
 Physics and Physical Oceanography
 Physiology and Neurobiology
 Public Management
 Pulp and Paper Technology
 Puppetry (BFA)
 Radiologic Technology
 Real Estate and Urban Economic Studies
 Recreation and Leisure Studies
 Recreation and Park Management
 Recreation Resource and Ski Resort Management
 Rehabilitation Services
 Resource and Agribusiness Management
 Risk Management and Insurance
 Rural Safety Administration
 Russian
 Sign Language Interpretation
 Small Vessel Operations
 Sociology/Applied Social Relations
 Software Engineering
 Statistics
 Structural Biology and Biophysics
 Surveying Engineering Technology
 Sustainability Studies (BS)
 Sustainable Agriculture
 Sustainable Product Design and Innovation
 Television Studies
 Textile Marketing
 Tourism, Planning and Development
 Wellness and Alternative Medicine
 Wood Science and Technology
 Zoology

Associate Degree Programs

Accounting Information Systems
 Adventure Recreation
 Agribusiness Management
 Applied Animal Science
 Applied Business Management
 Architectural and Civil Engineering Technology
 Architectural Engineering Technology
 Auto Body Repair
 Automotive Computer Technology
 Automotive Service Management
 Automotive Technology-Honda
 Banking and Finance
 Broadband Networking and Communications Technology
 Business Computer Management
 Business Technology and Management
 Cardiovascular Technology
 Community Service and Leadership
 Computer Applications & Administrative Management
 Computer Systems Technology
 Construction Practice and Management
 Construction Technology
 Dairy Farm Management
 Developmental Disabilities Aide
 Diesel, Truck and Heavy Equipment Maintenance
 Digital Media
 Electrical Construction and Maintenance
 Electrical Engineering Technology
 Electrical Power Technology
 Emergency Health Care/Paramedic Education
 Exercise Science
 Fire Administration (and Technology)
 Fire Investigation
 Food Services Management
 Forest Technology
 Graphic Arts (Co-op)
 Heavy Equipment Maintenance/Operation
 Histotechnician
 Industrial Electricity
 Industrial Management Technology
 Industrial Technology

(continued on next page)

Interior Design
 Interpreter for the Deaf
 Jazz and Contemporary Music/Jazz Studies
 Labor Studies
 Landscape Development and Ornamental Horticulture
 Library and Information Services
 Machine Tool Technology
 Manufacturing Engineering Science
 Manufacturing Technology
 Marine Biology and Oceanography
 Marine Technology [Co-op program]
 Nuclear Engineering Technology
 Occupational Health and Safety
 Ophthalmic Design and Dispensary
 Paramedic Studies
 Plastics Technology
 Plumbing and Heating
 Precision Metals Manufacturing
 Quality Assurance Technology
 Radiation Therapy Technology
 Real Estate
 Recreation Leadership/Park Management
 Recreation Management
 Restaurant and Hospitality Management
 Secretarial: Bilingual
 Small Vessel Operations
 Software Engineering
 Spatial Information Technology
 Surveying Technology
 Technical Theater
 Television News
 Therapeutic Recreation
 Trade and Technical Occupations
 Water Quality Technology
 Welding Technology

Graduate Programs

Adult and Vocational Education (CAGS)
 Adult Education (M)
 Advanced Librarianship (Diploma)
 Allied Health (M)
 American and New England Studies (M)
 Applied Financial Mathematics (M)
 Applied Genomics (M)
 Biodiversity and Conservation Biology (M)
 Biological Engineering (M)
 Biology: Nurse Anesthesia (RNs only) (M)
 Biomedical Engineering (M, D)
 Biomedical Sciences (Oral Biology) (D)
 Biophysics (M, D)
 Business Education (M)
 Clinical and Translational Science (D)
 Community Development and Applied Economics (M)
 Costume Design (MFA)
 Defense Logistics (M)
 Dental Medicine (DMD) (FP)
 Dental Science (M)
 Educational Foundations (M)
 Engineering Technology (M)
 Environmental Education (M)
 Environmental Studies (M)
 Financial Economics (M)
 French (D)
 Global Supply Chain Logistics (M)
 Greek and Latin (M)
 Higher Education Counseling (M)
 Historic Preservation (M)
 Human Development/Family Studies (M, D)
 Hydrology (M)
 International and Area Studies (M)
 International Studies (M)
 Italian (M, D)
 Judaic Studies (M)
 Justice Studies (M)
 Kinesiology (D)
 Labor and Human Resources (M)
 Law (JD) (FP)
 Liberal Studies (M)
 Library Science (M)
 Marine Affairs (M)
 Marine Policy (M)
 Maritime Management (M)

Materials Science (M)
 Materials Science and Engineering (M, D)
 Media Studies (Interdisciplinary) (M)
 Medicinal Chemistry (M, D)
 Medieval Studies (M, D)
 Microbial Systems Analysis (M)
 Musical Arts (D)
 Natural Resources (M, D)
 Nutritional Sciences (D)
 Ocean Engineering (M)
 Organizational Management (M)
 Pathobiology (M)
 Pathology (Human) (M)
 Pharmaceutical Science (M, D)
 Pharmacognosy (M, D)
 Pharmacology (and Toxicology) (M, D)
 Pharmacy (Six-year/PharmD) (FP)
 Professional Higher Education Administration (D)
 Public History (M)
 Quaternary Studies (M)
 Recreation and Leisure Services (M)
 Recreation Management and Policy (M)
 Social Work (D)
 Spanish (M)
 Spatial Information Science & Engineering (M, D)
 Special Education: ETEP Unified Teaching
 in Regular Classrooms (M)
 Special Education: Handicapped Residential (M)
 Special Physical Education (CAGS)
 Survey Research (M)
 Technology Management (M)
 Textiles, Fashion Merchandising and Design (M)
 Women's Studies (M)

Note: The Tuition Break program is NEBHE's Regional Student Program (RSP), established in 1957, and sometimes known as the Apple program.

Printed RSP Tuition Break catalogs are distributed throughout New England, including to all high schools, public libraries and state colleges and universities.

For more information, visit www.nebhe.org.
