

Skills, Employability & Success

Converting Rigid Pipelines to Multimodal Pathways

Seven Strong Decades

- 40 degree programs
- Business partnerships
- Non-credit training
- High volume, direct flow

Rust, Leaks & Plugs

- Industries boom / pipes trickle
- Short-term deals
- Long-term disaster

What Next?

- Beyond credits, semesters & degrees
- Modularization
- Each student / employer mixes & matches skills & credentials

Multimodal Pathways

- ~~Program-to-industry pipelines~~
- Unprecedented flexibility
- Soft / essential skills
- Eclectic balances

The Gig is Up

- Giggled learning for a gigger economy
- Fulfilling mission with academic & institutional integrity
