

New England College of Business

New England College of Business (NECB) was founded in 1909 to train bankers and finance professionals. Today, NECB offers fully online certificates, bachelor, and master's degrees to adult working professionals. All programs are aligned with industry competencies and combine theory and practice through engaging online delivery. NECB has been recognized as the most affordable private college in New England by the US Department of Education Affordability and Transparency Center, 2011-2015. NECB is also the recipient of awards from the US Distance Learning Association; Association of Continuing Higher Education and Brandon Hall. NECB's programs are consistently ranked as Best Online Business Programs by US News & World Report.

NECB works with both academic and corporate partners to bring education to professional learners who wish to advance their education and careers at the same time.

Recognized for Quality Online Curriculum

NECB's industry-leading, online curriculum was recognized with a 2014 Gold Best Practices Award for Distance Learning Programming from the U.S. Distance Learning Association; presented with the ACHE Award for Creative Use of Technology; and the NECB eLearning Team received Brandon Hall's Sliver Award for Best Learning Team. NECB was also listed among the best online programs in 2014 and 2015 in US News & World Report. In 2016, NECB was proud to be awarded with a Bronze Award from Brandon Hall for its Best Use of Games and Simulations in its Master of Science in Human Resource Management program.

Exploring Great Business Ideas at NECB

NECB's Innovation Room allows the NECB community of learners to explore new ideas and to continue to learn about new and trending business topics. Sessions are presented by our renowned faculty and network of industry leaders. They are free to attend and are offered both in person and virtually. Learn more by emailing Innovation@NECB.edu

For more information, or to Articulate with NECB, contact Roger.Pao@NECB.edu or call (617) 603-6900

Benefits to Academic Partnerships

- Provide a wider breadth of online course options through cross registration between institutions.
- Allow an upward track for students so that they may earn increasingly higher degrees.
- Create affordable options for students to continue their education through partnership tuition rates offered by NECB.
- Open access to students so that students do not need to choose between work and study. Partnering with NECB allows students to pursue both.
- A robust online classroom experience with an award-winning elearning platform and a diverse group of students who are typically working professionals with significant expertise in the workplace.
